

## PayPal Newsroom

Many will be feeling the financial pinch of returning to university, or children going back to school this September. To make the month a little easier, PayPal has announced that it will send out £1 million worth of Golden Ticket prizes to 200,000 lucky customers.

Thousands of PayPal customers will be in with the chance of winning between £5 and £50, which can be redeemed until 30 September. All current PayPal customers will receive an email to prompt them to log into their PayPal account and see if they are a lucky winner. Funds will automatically land in the accounts of the 200,000 randomly selected customers.

The latest PayPal announcement highlights how the payment platform creates better ways to manage and move money, and offers choice and flexibility when sending payments, paying or getting paid.
